

Process GDPR data deletion request

Verification Template

Hi there,

Thanks for getting in touch about your data deletion request. To move forward, we just need a quick confirmation to make sure you own this email address.

Could you please reply with something like:

"I confirm that I own this email address and requested the deletion of my personal data from Vegan Hacktivists."

This will help us document your request and get things processed as quickly as possible.

Appreciate your cooperation, and we'll handle the rest once we hear back!

Current Databases with User Data

The connection has to be setup via ssh tunnel. The IP next to the project name is the ip used for the ssh tunnel, the port is for the database
